Subject: Questions for Navy from EPA and EJ Task Force - Part 1

[Emailed questions from Dan Hirsch 2-10-16 to 4-18-16.docx](#)
[ATT00004.htm](#)

Dear John,

Attached are updated consolidated questions to the Navy from EPA, Dan Hirsch, and Greenaction. Later I will send updates of EPA questions about Thorium and EJ Task Force questions. In the mean time, below are the emails I sent to the Navy asking to have discussions about questions from EPA and the public. I also attach Tetra Tech inquiries that EPA has received recently so the Navy is aware of the types of questions that could come up.
